

## **Data Protection / Data Privacy**

The operators of this website take the protection of your personal data very seriously. We treat your personal data confidentially and according to the legal data protection regulations and this Privacy Policy.

The use of our website is usually possible without providing personal data. Personal data, such as names, addresses or e-mail addresses, are always provided on a voluntary basis if possible. Those data will not be passed on to third parties without your explicit permission.

However, we would like to point out that data transmissions via internet (e.g. e-mail communication) cannot be entirely secure and may have security vulnerabilities. A complete protection of personal details against unauthorized access by third parties is not possible.

### **Cookies**

This website partially uses so-called cookies. Cookies do not cause damages to your computer and do not contain viruses. Cookies allow us to make our offer more user-friendly, more efficient and more secure. Cookies are small text files, stored by your browser on your computer.

The most cookies that we use are so-called "session cookies". They will be deleted automatically after the end of your visit. Other cookies remain on your terminal device. Those cookies enable us to recognize your browser on your next visit.

You can adjust your browser that way in order to be informed when cookies are placed, to individually allow cookies or to generally exclude cookies in certain cases as well as to activate the automatic deletion of cookies when closing the browser. The deactivation of cookies may impair the functionality of this website.

### **Server-log-files**

The provider of these websites automatically collects and stores information in so-called server log files which your browser automatically transmits to us, such as

- browser type/version
- used operating system
- referrer URL
- host name of the accessing computer
- time of query

Those data cannot be associated with individual persons. A merging with other data sources does not take place. We reserve the right to retrospectively check the data if reasonable evidences concerning illegal use become known.

#### Processing of data (customer data and contract data)

We collect, process and use person-related data only as far as necessary for the establishment, content-related arrangement or change of the legal relationship (stock data). We only collect, process and use person-related data about the use of our websites (usage data) insofar it is necessary for enabling, improving or invoicing the use of the service.

#### Transmission of data on contract conclusion for services and digital contents

We transmit person-related data to third parties only if it necessary to fulfil the contract, e.g transmitting data to the commissioned credit institution in charge with the payment.

A further transmission of data to third parties does not take place unless you have given your explicit permission. A transmission of data to third parties for commercial purposes does not take place.

#### Right to Information, Deletion, Blocking

You have the right to be informed about your person-related data, their origin and addressee and the purpose of data processing as well as the right to correction, blocking or deletion of those data at any time and free of charge. For further questions and questions concerning person-related data, feel free to contact us under the address published in the impressum/legal notice.

#### Objection to commercial mails

Providers are obligated to publish contact information in the Legal Note/Impressum. The use of such contact information by third parties for the purpose of distributing unsolicited advertisements or other commercial information is prohibited. The operators of this website reserve the right to take legal measures in case of being sent unsolicited commercial information, e.g. spam mails etc.
